### ILLINOIS, Central

#### McLean County

3 SE Gridley to 1.7 NW Chenoa 23 1920CST 1926CST 5.3 216 0 0 Tornado (F2)

A tornado touched down 3 miles southeast of Gridley damaging several farm buildings. It then traveled to the northeast increasing in intensity 1.5 miles south southwest of Meadows causing moderate damage to several more farm buildings. The tornado continued to intensify reaching F2 intensity right before it crossed over into Livingston County. There were no buildings on the McLean County side of the road but the survey team determined that the damage to the buildings on the Livingston County side of the road was of F2 intensity. The tornado then traveled into Livingston County (NWS Chicago's warning area). No injuries were reported.

#### Edgar County

Paris 23 1945CST 0 0 Hail(0.75)

#### Edgar County

Paris 23 1945CST 0 0 Thunderstorm Wind (EG52)

Several trees were blown down around town. Some of the trees caused minor damage to a couple of homes. No injuries were reported.

#### Coles County

6 NW Mattoon to Mattoon 23 1959CST 2006CST 0 0 Hail(1.75)

#### Christian County

Morrisonville to Taylorville 23 2015CST 2215CST 0 0 Flash Flood

Water covered several roadways for a time over the southern half of the county

#### Schuyler County

Brooklyn to Frederick 24 2140CST 2149CST 0 0 Thunderstorm Wind (EG52)

Several trees, power lines and numerous tree limbs were blown down between Brooklyn and Frederick

#### Schuyler County

Countywide 24 2149CST 25 0330CST 0 0 Flash Flood

Very heavy rain fell countywide in a short amount of time. Numerous roads were flooded

#### Menard County

3 W Petersburg 24 2151CST 0 0 Hail(0.88)

#### Fulton County

2 N Table Grove 24 2206CST 0 0 Thunderstorm Wind (EG52)

#### Cass County

Virginia 24 2210CST 0 0 Thunderstorm Wind (EG52)

Large maple tree blown down.

#### Scott County

5.4 W Glasgow to 5 NE Winchester 24 2217CST 2233CST 0 0 Thunderstorm Wind (EG70)

Thunderstorm winds blew down numerous trees, power lines and tree limbs from west of Glasgow to the Winchester area. Several large trees, over 3 feet wide, were blown down on the east side of the Illinois River near Montezuma Landing. A couple of the fallen trees damaged some unoccupied camping trailers.

#### Scott County

6 WSW Winchester to 1 N Winchester 24 2219CST 2226CST 7.3 100 1 1 Tornado (F1)

The tornado initially touched down 6 miles west southwest of Winchester then traveled to the northeast causing minor tree damage. Two miles southwest of Winchester it destroyed a mobile home causing 1 fatality. The two occupants of the mobile home were thrown from the home. The husband only sustained minor injuries. As the tornado went through Winchester it weakened in intensity causing minor to moderate damage to the roofs of several homes, destroyed some sheds and blew down numerous trees.

#### **Morgan County**

2.4 SW Jacksonville to 1.2 W Jacksonville	24	2235CST 2236CST	1.2	100	0	1	4M	<b>Tornado (F2)</b>
--	----	--------------------	-----	-----	---	---	----	---------------------

A small tornado touched down in the southwest section of Jacksonville near the point where Route 67 turns north. As it traveled to the northeast it quickly intensified to F2 strength destroying a furniture store, house and church and caused major damage to a motel. One occupant of the motel sustained minor injuries. The tornado then quickly weakened causing minor damage to several more homes and businesses before lifting and dissipating.

#### **Morgan County**

2.6 SW Jacksonville to 1 ENE Jacksonville	24	2236CST 2240CST			0	0	1M	<b>Thunderstorm Wind (EG78)</b>
--	----	--------------------	--	--	---	---	----	---------------------------------

Thunderstorm winds caused a large swath of damage across town. Numerous trees, tree limbs and power lines were blown down. Also, several homes sustained minor roof damage. The county courthouse also sustained roof damage. No injuries were reported.

#### **Mason County**

Manito to Mason City	24	2239CST 2245CST			0	0		<b>Thunderstorm Wind (EG60)</b>
-------------------------	----	--------------------	--	--	---	---	--	---------------------------------

Numerous tree limbs were blown down between Manito and Mason City. Also, an irrigation system near Manito was flipped over.

#### **De Witt County**

8 SW Farmer City	24	2240CST			0	0		<b>Thunderstorm Wind (EG50)</b>
------------------	----	---------	--	--	---	---	--	---------------------------------

Thunderstorm winds blew down a large tree across IL Route 54 between Farmer City and Clinton.

#### **Logan County**

Countywide	24 25	2245CST 0400CST			0	0		<b>Flash Flood</b>
------------	----------	--------------------	--	--	---	---	--	--------------------

Up to three inches of rain fell in a short amount of time causing numerous rural and urban roads to become flooded

#### **Logan County**

Lincoln	24	2245CST			0	0		<b>Thunderstorm Wind (EG52)</b>
---------	----	---------	--	--	---	---	--	---------------------------------

A large tree was blown down in town, as well as numerous tree limbs.

#### **McLean County**

3 W Mc Lean	24	2257CST			0	0		<b>Hail(0.75)</b>
-------------	----	---------	--	--	---	---	--	-------------------

#### **Sangamon County**

Countywide	24	2305CST 2330CST			0	2	80K	<b>Thunderstorm Wind (EG69)</b>
------------	----	--------------------	--	--	---	---	-----	---------------------------------

Damaging thunderstorm winds caused widespread damage across Sangamon County. In Berlin, the winds damaged the roof of a double wide mobile home and destroyed a garage. On the east side of Springfield a two story building sustained moderate roof damage. Then in an area from Auburn to Divernon to Pawnee, damaging winds pushed one wall of a large storage building out, snapped numerous power poles off, blew down numerous trees and power lines, caused extensive damage to the roofs of three apartment buildings and blew over two semis on I-55. One driver sustained minor injuries and one resident of the apartment complex sustained minor injuries. Northeast of Rochester, numerous trees were blown down, one of which landed on an unoccupied car, destroying it. A horse stable sustained moderate roof damage.

#### **Sangamon County**

Divernon	24	2309CST 2310CST	0.3	75	0	0		<b>Tornado (F1)</b>
----------	----	--------------------	-----	----	---	---	--	---------------------

A tornado briefly touched down in Divernon. It destroyed 5 garages and blew down numerous trees, tree limbs and power lines. Several homes sustained minor damage, while one home sustained moderate damage. No injuries were reported.
